Technical workshop: Quality Control of Energy Performance Certificates

6 October 2023

Park Hotel, Bishkek

This technical workshop is organised jointly by the Ministry of Energy of the Kyrgyz Republic and the European Union's SECCA Project. Specialists of the State Agency for Architecture, Construction, Housing and Utilities (Gosstroy) under the Cabinet of Ministers of the Kyrgyz Republic and the Ministry of Energy of the Kyrgyz Republic will have an opportunity to learn international experience in the legal framework and institutional arrangements regarding Energy Performance Certification (EPC) of Buildings, as well as Quality Control of EPC.

The workshop will include broad discussions about the presented matters, which in turn will help SECCA, to plan further Technical Assistance programme.
