

ADB in Energy Sector

ADB ENERGY SECTOR DIRECTIONAL GUIDE

STRATEGY 2030

Challenges and Needs in Asia

Energy Access

=> **universal** access to electricity, and clean cooking, heating, and cooling options for **all households**, including women

Energy Security

=> energy security to support **economic growth**

Clean Energy

=> tackling **climate change**, enhancing environmental sustainability and building climate and disaster resilience
=> aligning ADB operations with the goals of the **Paris Agreement**
=> increase ADB's climate finance target to **\$100 billion** to support DMCs fight climate change.

Sector Governance

=> sector governance and **reform**, including regulations, utilities' performance

Sector Guiding Principles

Securing Energy for a Prosperous and Inclusive Asia and the Pacific

further enhance energy access including clean cooking, heating, and cooling

Building a Sustainable and Resilient Energy Future

communities with improved climate and disaster resilience energy access including clean cooking, heating, and cooling

Supporting Institutions, Private Sector Participation, and Good Governance

financially sustainable energy services integrated solutions with magnified development impacts

Promoting Regional Cooperation and Integration

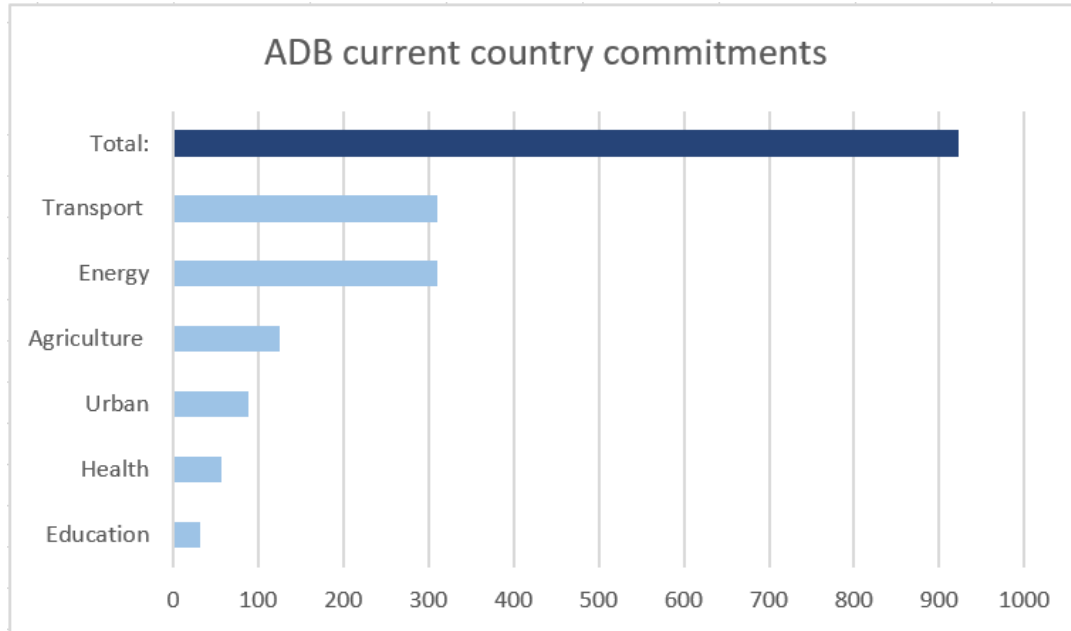

increased energy security and cross-border access to cleaner energy sources

Integrated Cross-Sector Operations to Maximum Development Impact

integrated solutions with magnified development impacts

Tajikistan Project Portfolio

Sector	No. of Active Projects	Amount
Transport	3	310.7
Energy	4	310
Agriculture	3	124.5
Urban	2	89.2
Health	2	57
Education	1	31.5
Total:	15	922.9

Cumulative commitment in sector: **\$595M**

Rehabilitated HPPs

Newly built and upgraded SS

600km of new or upgraded power transmission and distribution lines

ADB Current Energy Sector Projects

Power generation

Ongoing: Rehabilitation of 240-MW Golovnaya HPP, **\$136M**

Pipeline: AF for 240-MW Golovnaya HPP, **\$15M**

Transmission

Ongoing: Wholesale Metering and Transmission Reinforcement, **\$54M**
Reconnection to CAPS (Regional), **\$35M**

Pipeline: AF for RCAPS, **\$15M**

Distribution

Ongoing: Power Sector Development, **\$105M**, EBRD's co-financing \$25M

Thank you.
