

Presentation

› grexel

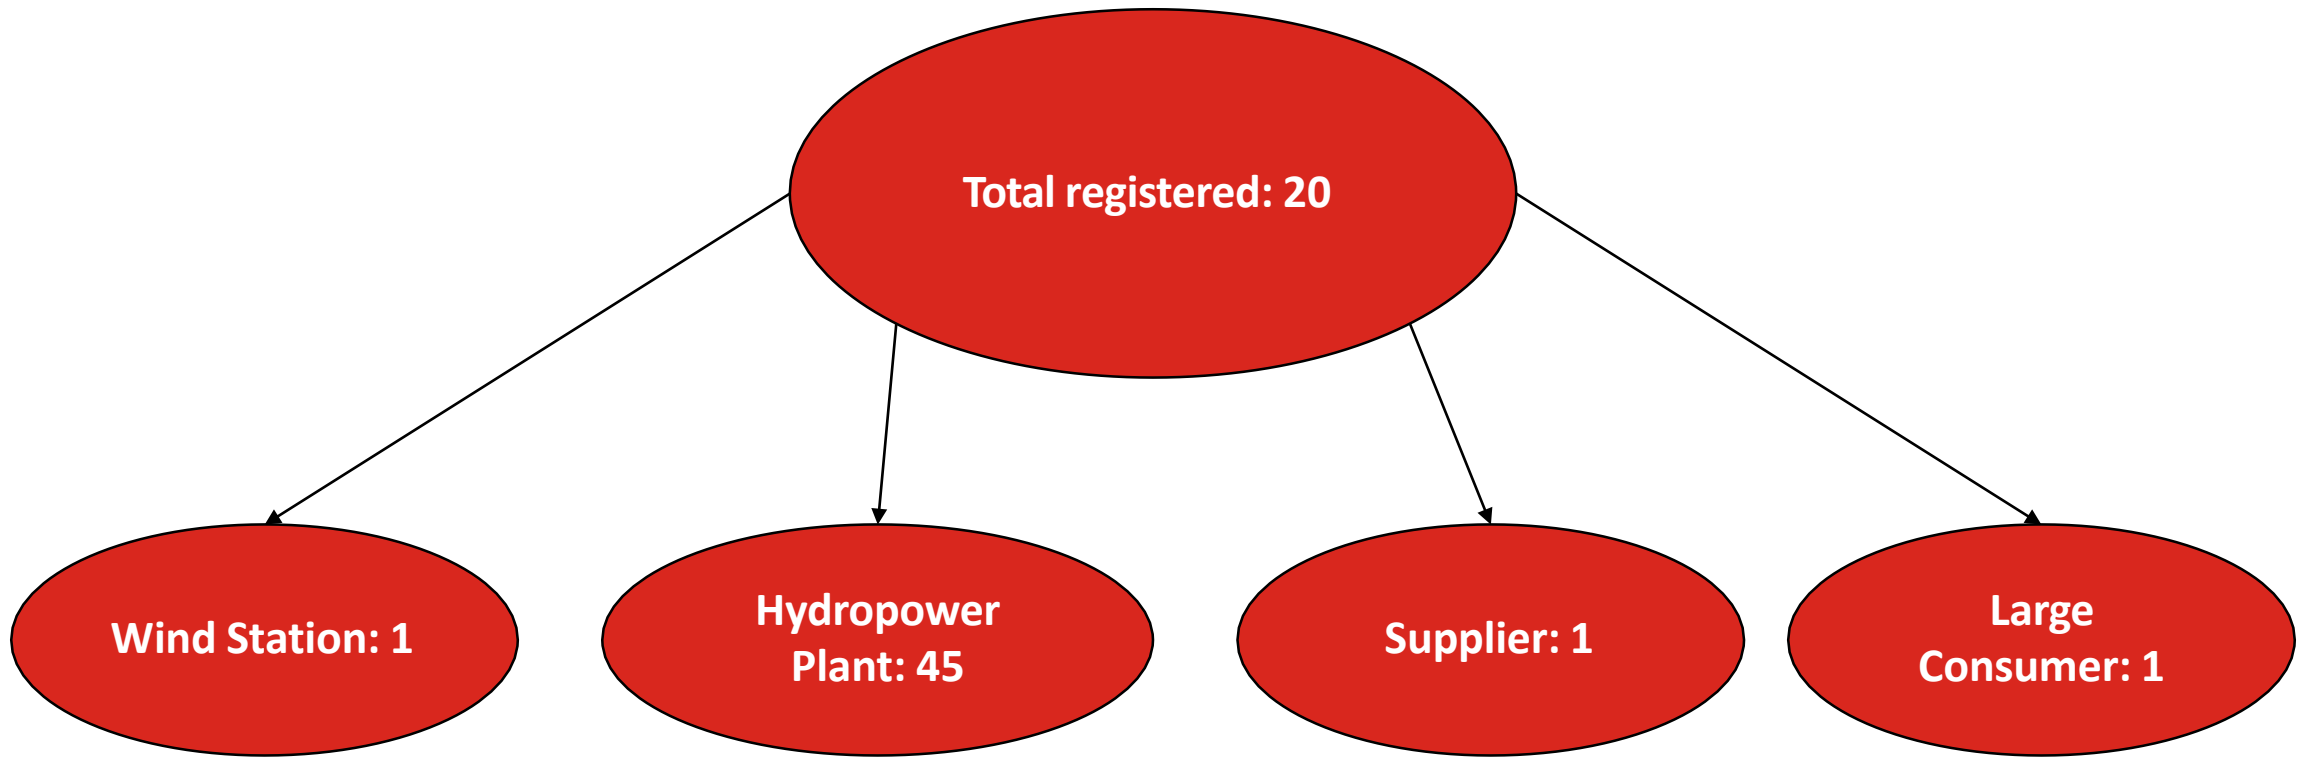

Registration Process started on 01,01,2023

During the registration process, we were addressed by such large objects as

Enguri

Vardnili

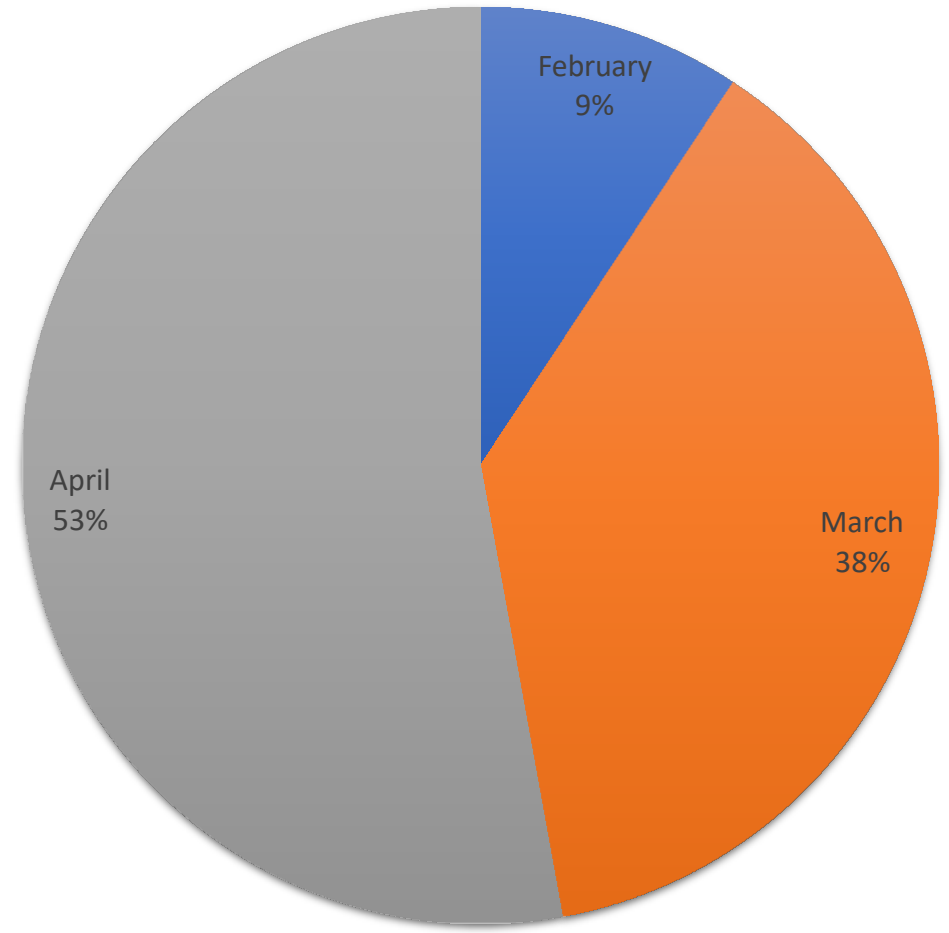

Kartli Wind powerplant

A detailed list can be found at the link: [Registered Participants \(gse.com.ge\)](https://gse.com.ge/Registered-Participants)

<u>Number of certificate</u>
<u>February: 104300</u>
<u>March: 424993</u>
<u>April: 593600 (Prediction)</u>
<u>Sum: 1122893</u>

Amounts

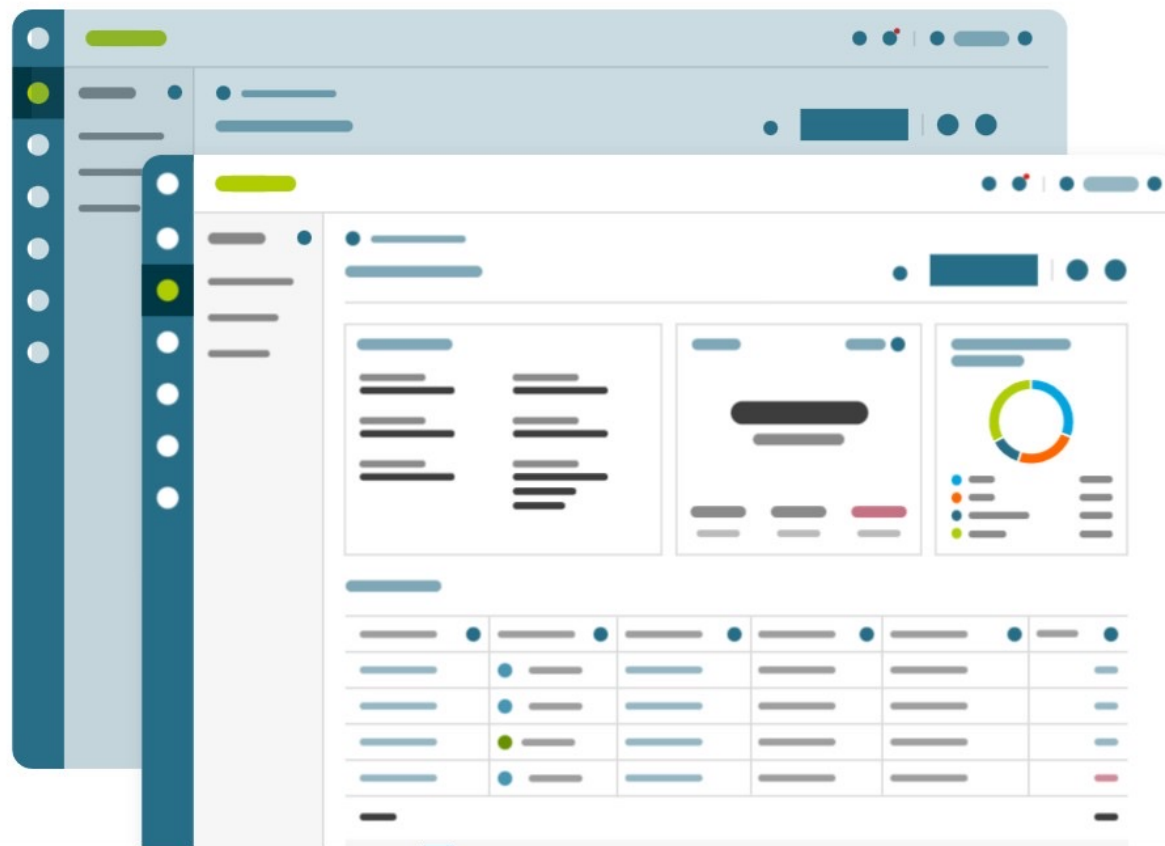

■ February ■ March ■ April

Welcome to G-REX!

G-REX is a energy certificate register provided by Grexel, part of EEX Group. The registries are used by over ten thousand active account holders in 15 countries.
