The network of National Contact Points (NCPs) is the main structure to provide guidance, practical information and assistance on all aspects of participation in Horizon Europe. As the NCPs are national structures, the type and level of services offered may differ from country to country.

In general, the following basic services are available in accordance with the NCP Guiding Principles agreed by all countries:

- Guidance on choosing relevant Horizon Europe topics and types of action
- Advice on administrative procedures and contractual issues
- Training and assistance on proposal writing
- Distribution of documentation (forms, guidelines, manuals etc.)
- Assistance in partner search
